

Art.-Nr. 11-80190

Neumärker Chromium Griddle Plate Classic

Description

Chromium steel griddle plate: Faster heating-periods, efficient energy consumption and easy cleaning

Protected electronics: The gap between the two parts of the unit works as an insulation. Since the heat does not damage the electrics, the product is durable and ready to use permanently without interruption

Huge juice tub: Simplifies the cleaning and the continuous removing of fat and residues

Flexible application: 3 separately adjustable heating zones can be operated with different temperatures

Protection edge 80 mm high

Pilot lights

Cooking surface 900 x 400 mm

Technical data

Electric power: 10,2 kW

Voltage: 400V

Supply frequency: 50Hz / 60Hz

Width x depth x height: 905x450x220 mm

Net-weight: 38 kg

Working area: 900 x 400 mm
