

Art.-Nr. 17-80500

Half Cast Iron Grid | for Diamant Grill

Description

Massive cast-iron grid for a perfect branding. The thickness of 15mm of this heavy grate stores the heat ideally and does not cool down when loaded with raw meat. The reversible grill has one side for a diamond-shaped branding and one side for a strip branding.

Technical data

Width x depth x height: 600 x 300 x 15 mm

Net-weight: 7 kg
