

Art.-Nr. 00-30604

## Air Cleaner with Special Filter System

### Description

- Unique combination: Anti-virus filter and anti-mite filter
- Reliably cleans the air from aerosols that transmit viruses such as Sars-CoV-2
- Binds possible pathogens within the filter
- Special filter made of effectively coordinated protective elements with a disinfecting and adsorbing cleaning effect that creates a pleasant room atmosphere
- Effective protection for house dust allergy sufferers and asthmatics as well as prevention for healthy people
- Ideal for living and sleeping areas, workplaces and commercial areas such as offices, restaurants, hotels, retail stores, waiting rooms, medical practices, pharmacies and all public facilities
- Minimalistic elegant design
- Particularly quiet: only 40 dB (A)
- White powder-coated stainless steel
- With stable base
- Ready to plug in
- Suitable for rooms with up to 25 m<sup>2</sup> per device
