

Art.-Nr. 00-90072

# Cleaner for Baking Moulds | Cleaner for Waffle Iron Baking Plates

## Description

- Concentrate for cleaning waffle iron baking plates and other baking moulds
- For removing burnt-on and encrusted dirt from the waffle iron baking plate or baking mould
- Ideal for cleaning the removable baking plates of the Neumärker Baking System
- The separate baking plate is placed in the solution, dirt dissolves overnight
- Reusable (if necessary, remove settled residues by sieving)
- Only suitable for cleaning uncoated waffle iron baking plates made of cast iron. Non-stick coatings can be irreparably damaged
- Waffle irons made of cast iron must be seasoned again after the cleaning process
- Attention: Highly alkaline! May cause burns. Observe safety instructions!
- Canister with 10 liters concentrate
