King Edward Vintage Pizza Oven PK1W | with warming compartment

Neumärker[®]

Description

The new King Edward pizza ovens bring classic flair to your dining room.

Create the atmosphere of a traditional pizzeria for your guests and emphasize the artisanal preparation of your pizza with this visual accent. This stylish vintage oven is guaranteed to be an eye-catcher. Within the elegant retro housing there is a professional oven with modern technical components.

- For one pizza of Ø 35 cm
- Fire brick bottom for perfectly crispy pizzas, tarte flambée or other baked goods
- Baking surface 380 x 380 mm
- Door with inspection window
- Interior lighting
- Top and bottom heat can be switched separately
- Including a 2-level warming compartment
- Keep up to 2 pizzas warm while you finish preparing the order. Or offer individual slices of pizza as a snack and keep them warm
- Separate thermostatic control of the warming compartment
