

Description

- the high tech contact grill with innovative composite grill plates
- energy-saving
- very quick heating-up
- super easy cleaning
- Duplex composite grill plates made of aluminium with a stainless steel surface
- aluminium core for a quick and even heat distribution and a constant heat
- the stainless steel surface reflects the heat back into the aluminium core and makes a compact heat storage
- stainless steel is easy to clean and very robust
- removable fat protection edge
- grill plates top grooved, bottom flat
- stainless steel casing
- electronic timer and thermostat system
- parallel grill plates with up to 50 mm thick food
- grill surface 500x250 mm

Technical data

	Electric power:	3,4 kW
	Voltage:	230V
	Supply frequency:	50Hz / 60Hz
	Width x depth x height:	640 x 445 x 245 mm
	Net-weight:	25 kg
	Working area:	500 x 250 mm
