

Art.-Nr. 05-90381

Ice Cream Maker Retro Gelato 1700

Description

- The ideal ice cream maker for small restaurants, cafés and bistros to offer homemade ice cream as dessert
- A triple coating in connection with the lacquer finish gives the aluminum housing durability and protection against scratches
- The curvy shapes are reminiscent of the 1950s retro design, so that this Italian ice cream machine can be placed decoratively in your counter area
- Preparation time approx. 15-25 minutes for 1 kg / 1.5 liters of ice cream
- Built-in 1.7 liters stainless steel container for best cooling contact
- Alternative removable stainless steel container for easy cleaning included
- Suitable for the production of gelato, sorbets and frozen yoghurt in excellent quality
- A device integrated in the lid for adjusting the amount of air enables you to adjust the texture of the ice cream to your needs
- Automatic conservation mode after preparation is completed
- 32 rpm
- DDS direct drive system
- Particularly energy-efficient
- Semi-professional device: Not suitable for permanent commercial use
